

APPENDIX D. PUBLIC HEARING NOTICE

ARIZONA DEPARTMENT OF
TRANSPORTATION
PUBLIC HEARING

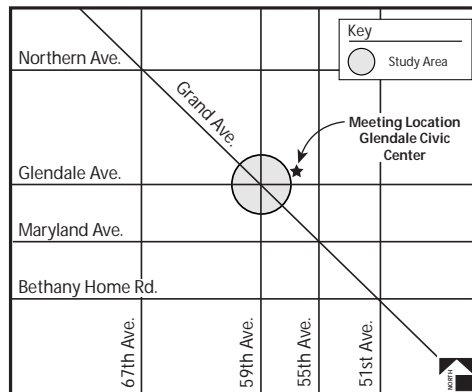

**Grand Ave.: 59th Ave./Glendale Ave.
Environmental Assessment**

Wednesday, October 1, 2003, 6:00 p.m. to 8:00 p.m.

Presentation at 6:15 p.m.

Glendale Civic Center

5750 West Glenn Drive, Glendale, Arizona

Study Area

The Arizona Department of Transportation (ADOT) has identified the need to improve the operation of Grand Avenue at the intersection of 59th Avenue and Glendale Avenue in Glendale, Arizona. ADOT proposes to construct a grade-separation structure that would lower Grand Avenue beneath the intersection of 59th and Glendale Avenues. The project would eliminate the current six-legged intersection, reduce traffic delays, and improve traffic operations during peak travel periods.

The purpose of this hearing is to receive comments from the public on the proposed project and to obtain comments on the Draft Environmental Assessment (EA) that has been prepared for this project. Public participation is an important part of the project evaluation process, and all interested parties are encouraged to attend the hearing. A court reporter will be present to take statements from the public. Copies of the Draft EA are available for review at the following locations:
